2716. SHRI MUKHTIAR SINGH MALIK: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether it is a fact that largest T.V. relay transmitter Tower has been constructed near Pitam Pura, Delhi and also inaugurated by Shri Rajiv Gandhi, Prime Minister of India on 7th November, 1988;

(b) if so, what is its range;

(c) the estimated population likely to be benefited by this T.V. tower;

(d) the expenditure incurred on the construction of this Tower;

(e) whether it is also a fact that Government propose to set up a Revolving Restaurant on this tower and whether it is likely to create problem for its security; and

(f) if so, what remedial measures Government propose to take for its security?

THE MINISTER OF PARLIAMENTARY AFFAIRS AND MINISTER OF INFORMATION AND BROADCASTING (SHRI H. K. L. BHAGAT): (a) The TV transmission tower inaugurated by Prime Minister at Pitam pura, Delhi on 7th November, 1988 is the tallest TV tower with 235 M height in the category of RCC-cum-steel tower established so far in the country.

(b) The Primary Channel and the Second Channel transmitters at Pitampura, Delhi provide high grade service within a radius of about 90 Kms. and 85 Kms. respectively and fringe service upto about 140 Kms. and 125 Kms. respectively.

(c) Whereas the Primary Channel service is available to an estimated population of 294.74 lakhs, the Second Channel service is available to a population of about 251.66 lakhs including population in fringe areas.

(d) An expenditure of about Rs. 502 lakhs has so far been incurred on the construction of the TV Tower and the associated buildings at Pitampura, Delhi. This amount does not include the cost of equipment installed at site.

(e) and (f) As part of the comprehensive design for the project aimed at making the Centre a spot of tourist attraction, a Revolving Restaurant floor has been provided at a height of 155 M of the tower. Adequate measures have been taken for the security of the tower. These include segregated public access from the

technical areas of the transmitter station, a security fencing between the station and the public path within the complex, posting of adequate number of security personnel, tower and flood lights for security requirements and installation of a fire alarm system including back up water pumping for fire fighting.

Setting up of Farm Products Marketing Boards

2717. SHRI GURUDAS DAS GUPTA: Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state:

(a) whether Government attention has been drawn to a news item which appeared in the Times of India on 27th October, 1988 to the effect that rice millers are actively frustrating Government drive for paddy procurement and if so, the corrective steps proposed to be taken in this regard; and

(b) whether Government propose to set up Farm Products Marketing Boards in each district/State to fix weekly/seasonal fair prices of each farm produce for producers and consumers in order to curb the undesirable activities of middlemen?

THE DEPUTY MINISTER IN THE MINISTRY OF FOOD AND CIVIL SUPPLIES (SHRI D. L. BAITHA): (a) Yes, Sir. Farmers are free to sell their paddy at any price and to any party. Paddy sales to public procuring agencies are voluntary and the agencies purchase the paddy offered to them as a price support measures aimed at protecting the farmer from exploitation. The State Governments have been advised to enforce levy and other regulatory orders, strictly, to maximise levy rice procurement.

(b) The information is being collected.
